

Mount Petrie Bowmen Inc

ABN 98 134 918 412

Dogs On Site

Mount Petrie Bowmen is situated in a nature reserve. In general, dogs and other domestic pets are not permitted on site.

Queensland legislation provides an exemption for dogs that have been certified by an approved trainer or training institution and have passed a Public Access Test (PAT).

The *Guide, Hearing and Assistance Dogs Act 2009* only recognises dogs that are highly trained to undertake specific, identifiable tasks to reduce the support needs of a person with disability. They are not therapy, emotional support or companion dogs.

Only certified guide, hearing and assistance dogs wearing an official identifying coat/harness are permitted on-site.

This policy was approved by the Management Committee of Mount Petrie Bowmen Inc. on 17 March 2025. It will be reviewed annually.
